These are designed to be used when FDA masks (e.g., N95 surgical masks) are not available. Not intended as Personal Protective Equipment (PPE)*

- Fabric: 2-ply 65% polyester/35% cotton, 4.3 oz poplin
- Machine wash separately in warm water. Tumble dry low. Do not use fabric softener. Do not iron. Wash dark colors separately. May be washed up to 75 times.
- Imported. Made with USA fabric.

This mask is STANDARD 100 by OEKO-TEX® certified (20.HUS.14081| Hohenstein HTTI).

OEKO-TEX®
CONFIDENCE IN TEXTILES
STANDARD 100

Milliken™ BioSmart™ technology harnesses the antimicrobial power of EPA-registered chlorine bleach* to keep the fabric fresh*. Prior to each use, BioSmart™ technology must be charged by laundering with an EPA-registered chlorine bleach*. BioSmart technology binds chlorine bleach* from the wash to the surface of the fabric. Chlorine bleach* inhibits the growth and spread of bacteria. BioSmart technology is durable up to 75 industrial or home launderings.

***Disclaimer:** This fabric mask is not considered Personal Protective Equipment, or PPE. This mask is not intended to replace PPE, but is intended as a contingency option for those who do not have access to PPE. They are not regulated nor do they meet the standards imposed by the FDA, OSHA, NIOSH or any other governmental health and safety organization. These types of masks are not intended to protect the wearer, but to protect against the unintended transmission of respiratory droplets. **When washed according to the EPA registered care label instructions. Tested in laboratory conditions using AATCC 100 test method. Do not use color safe bleach. Not recommended for use in a surgical setting or where significant exposure to bodily fluids or other hazardous liquids are present.

**Excluded From Promotions.

Returns: All sales are final. No returns accepted. This product is exempt from Lands' End's Guaranteed Return® Policy and you agree to these conditions upon purchase.
