

AFTER SCHOOL CARE 2022-2023

Dear Wardlaw+Hartridge Parents,

Wardlaw+Hartridge offers after school care for students in Prekindergarten through grade eight.

EXPLORERS is our after-school program for our Early Childhood students in Grades Pre-Kindergarten, Junior Kindergarten, and Kindergarten, and **ENCORE** is our after-school program for students in Grades One through Eight.

Any student staying past the usual dismissal times will need to be registered for Explorers or Encore after school programs.

Our after-school programs are for those families who need to have their children stay at school due to no other alternatives for supervision and care and should not be used as a social time or “play date” for your child. We need to limit the number of students in attendance as our utmost concern is to keep your child safe and healthy.
