

got wine?

WINE DONATION FORM

The Wardlaw-Hartridge Parents' Association is seeking your support for the Thing in the Spring "fun"raiser. Back by popular demand is our wine pull. Donated bottles will be displayed in a wine bag and sold to attendees for \$20 per pull. When you open your wine bag, you may uncover a nice table wine, a lovely pinot noir, a rare bottle of vintage wine or a sophisticated cabernet. You never know what you will find in your bag.

To support this fun and always successful event, we encourage the Wardlaw+Hartridge community to donate a bottle or two of their favorite wine worth anywhere from **\$20 to \$100**.

Our goal is to receive **100** bottles of wine to be sold at the event.

Please help us to reach our goal!

All donations can be left in the Development Office or email me for arrangements.
