

EXPLORE. DISCOVER. BE AMAZED.

ADVENTURE CAMP 2020

We regret that due to concerns of the Covid-19 virus, we are cancelling Adventure Camp this summer.

Teen Leadership camp will still be available virtually for those entering grades 8-11.

We are actively working on new programming for next summer to be on-campus filled with exciting educational adventures and social interactions. We hope we will be able to offer our amazing trips and delicious lunches again if allowed by the NJ health Department.

We will miss all of you this summer and hope that you will join us next year for a summer where your child will explore, discover and be amazed!

Any questions can be emailed to summeradventures@whschool.org

Dawn Cancryn
